

WEBSITE HELP FOR PARENTS

Although this website is mainly for people doing research, I know some parents will be logging in looking for information and suggestions about discipline problems. So here are some websites that can be useful. I have checked only a few of these sites, and I am therefore only bringing them to your attention, not necessarily endorsing them.

[Discipline](#)

Understanding the difference between discipline and punishment will help you raise healthy children. Here's information to guide fathers toward positive discipline.

URL: <http://fatherhood.about.com/cs/discipline/index.htm> ([About Fatherhood](#))
